HONG KONG CORPORATE INFORMATION

Hong Kong is one of the world's leading international financial centres with low taxation (16.5%) and free trade. It has also become a leading centre for management, financial, IT, business consultation and professional services. Hong Kong is regarded as business-friendly due to its free market policies, the rule of law and free flow of information.

Time Frame

We will take about 3-5 working days to incorporate a company.

Name Restrictions

Names that are identical to an existing company.

Suffix of Limited Liability Company

Limited.

Share Capital

Basic norm of subscribed share capital is HKD10,000 represented by 10,000 ordinary shares of HKD1.00 each.

Director/ Shareholder

The minimum number of director and shareholder is one each. At least one director must be a natural person and can be of any nationality.

Company Secretary

It is a requirement to appoint a Hong Kong resident secretary, who may be a natural person or corporate body.

Accounts / Audit

Companies are required to prepare financial statements and keep accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy, the financial position and financial performance of the company. Accounting records must contain daily entries of all sums of money received and expended and a record of the Company's assets and liabilities.

Audit of financial statements is required for all companies.
